## Community Success

---

### San Felipe Pueblo

#### Behavioral Health Services (BHS) Program

The Keres Commercial Tobacco Outreach team and **San Felipe Behavioral Health Program** had the opportunity to engage in dialogue and prevention surrounding commercial

tobacco in New Mexico. San Felipe staff learned more about topics related to **commercial tobacco** and **emerging products** currently available on the market. Additionally, San Felipe BHS were able to apply policy to their tribal businesses such as: gaming, schools, clinics, community buildings, etc. This was a great wrap up for the Keres team fiscal year and encourage the continuation of commercial tobacco prevention in Indian Country.

**Shoutout to San Felipe BHS and all the amazing work they have accomplished for their community!**
